Academic Performance Index (API) and Accountability Data

The API is a numeric score that measures school and district performance based on a variety of educational indicators. It allows schools and districts to gauge their progress toward improving student achievement. Components of the API are used to meet reporting requirements in the *No Child Left Behind Act* (Public Law 107-110).

District API Score for Regular Education Students

ROOSEVELT ES has a Total API of 601

The scale for API scores ranges from 0-1500 with 1138 as the current state average for regular education students.
